Progress Continues on Physician Working Group

WPA & SMHP Working Together

The Working Group Committee is gaining momentum. As reported in the August WPA newsletter, a committee was formed to address and review key initiatives identified by both WPA Board of Directors and SMHP. The Working Group Committee members include: SMHP Medical Director, Steve Phillips, MD; WPA Medical Director, Ron Smith, MD; Robert Rand, MD; Ritu Dixon, MD, Vance Alm, MD; Majorie Uhalde, MD; Tim Coughlin, MD; Jim Schaupp, DO; Jennifer Hornback, MD and Paul Smith, MD.

Some topics of discussion to come out of the recent committee meetings include:

1. Tertiary Referrals

The committee reviewed the out-of-area services offered through the University of Utah. To learn more see:

2. Pharmacy Program

Discussions centered on the new step therapy for select medical categories and the new Growth Hormone requirements.

3. Pay for Performance

Dr. Phillips announced a new P4P program through SMHP. The measurements will be based on HEDIS reporting, utilization, efficiency and new technology. Stay tuned for future developments.

4. Back Pain Management

Key topics of interest from the committee included: physical therapy, pain management, surgery and appeals.

If you would like to participate on any of the working group committees, please contact the WPA office at 775-827-5775.
